

### REMARKS

The Notice of Allowance dated January 6, 2011, has been received and carefully noted. The above amendments to the claims are merely submitted to clarify claim numbers and claim dependencies. The allowed claims were previously numbered claims 5 and 7. Attached to the Notice of Allowance was an indication that these claims have properly been numbered as claims 1 and 2. However, it is not clear from the Notice of Allowance as to whether the dependency of claim 2, formally claim 7, has been changed to reflect its dependency on claim 5, renumbered as claim 1. The above amendment, therefore, is clarify that renumbered claim 2 is properly dependent upon renumbered claim 1.

This amendment does not have any effect on the scope of the claims, and merely serves to ensure that the issued claims are consistent with the examiner's and applicants' intention. This amendment was not submitted earlier because the possible dependency problem was not noted until the Notice of Allowance was reviewed. No new matter is added.

Timely issuance of this application, upon payment of the Issue Fee, is respectfully requested.

In the event that there are any fees due with respect to the filing of this paper,  
please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,
